

CANINE COUNTRY INC. PRESENTS:  
**FRED HASSEN**  
**REMOTE COLLAR WORKSHOP**  
The No Limitations Method

**WHO**

**Fred Hassen:** Fred Hassen is the Originator of the No Limitations Remote Collar Dog Training System - a studied, tested, proven, specialized language that is immediately communicated to the dog in a non-confrontational way. He is also the founder of the largest and most successful off-leash dog training company in the world, Sit Means Sit Dog Training. Fred gives seminars around the country and outside it to Law Enforcement, Search and Rescue, protection and dog sports as well as just plain dog owners who want great dogs.

**WHAT**

Three days of intensive hands on work with your dog in developing obedience. This seminar is for those who are beginners all the way to the experts and professional trainers. Friday is free and is an introduction to the No Limitations training system. So if you're not sure come on Friday and then make your decision. If you can't bring a dog and want to work one, let us know and we'll see what we can work out for you. We will be working beginning and advanced problems over the weekend, what you can't do yet you can get a pretty good idea of from watching.

**WHEN**

Friday July 30<sup>th</sup> 2004 6-9 PM. Open to spectators at no charge. Saturday July 31<sup>st</sup> 2004 9-5. Sunday August 1<sup>st</sup> 2004 9-5.

**WHERE**

Canine Country Inc. 617 North Bethlehem Pike, Lower Gwynedd, PA 19002 (Just outside of Philadelphia, PA) 215-641-9663

**HOW TO REGISTER**

Registration will be accepted by check via mail or credit card (Master Card & Visa Only). Same day registration availability is not guaranteed. Dogs and handlers who do not have a foundation in No Limitations approved by one of the instructors must attend at least two days.

**HOW MUCH?**

- \$75.00 a day with a two day minimum. Auditing is \$60.00 a day, so you might as well bring a dog - we think you learn more by doing, anyway.
- IMMEDIATE FAMILY MEMBERS may attend free if they are not working a separate dog. Same handler second dog is \$25.00.
- AS ALWAYS, graduates of the NO LIMITATIONS SCHOOL FOR TRAINERS attend free, so long as you show off what you've learned and make us all look good.

**REMOTE COLLARS**

And some training items will be available for sale. Let us know in advance if you are ready to buy a collar so that we can have the right one available for you.

## **MEALS**

You are on your own for this time. Lunch will be an hour break but some people will want to work on through, so think ahead. There are numerous restaurants within very close distance including a McDonald's, Wings to Go, pizza places and numerous diners. We will be providing light refreshments throughout the day.

## **DECORUM**

If your dog is under control we're happy. If you're under control, we're even happier. Please give Fred some time on his breaks to do his thing. If you have any problems, special needs or questions ask either Lynda Rotelle or one of her staff as soon as the question comes up. We want you to have a great, trouble free time. As always, we reserve the right to make decisions that are in the best interests of dogs and handlers even if it's not what you had in mind.

## **Lodging:**

**Quality Inn Conference Center:** Route 309 Montgomeryville, PA  
215-699-8800. Quality Inn will take dogs of Law enforcement officers ; ask to speak with Jack Pickersgill. Remember to call the hotel **directly** for prices.
